SHORT COURSE

1. ST. ANDREWS – ROAD HOLE

The opening shot plays downhill alongside a road, just like #17 at St. Andrews, the birthplace of golf. At 65-yards and a green that slopes back to front club selection is key.

2. ROYAL TROON - POSTAGE STAMP

The shortest hole on the course playing 34-yards and features an uphill shot to the smallest green on the course known as a "Postage Stamp".

3. PINE VALLEY

It was once said that "Pine Valley's par 3's are the finest and most difficult one-shotters you'll come across." Paying homage to that quote, our 91-yard tee shot plays slightly uphill through a narrow opening. Many will rejoice as if their 3 was a 2 here.

4. WHISTLING STRAITS – "O' MAN"

As you stand on the tee of this 74-yard slightly uphill hole, "O-Man" is what you'll say when you look at the picturesque view of the big course's 2nd hole.

5. AUGUSTA NATIONAL

Surrounded by towering pine trees, this 51-yard par 3 pays tribute to the towering pines that surround the holes at Augusta National.

6. OAKMONT

Just like at Oakmont, the final green doubles as the course's practice putting green. At 98-yards, the longest hole on the course will allow for a great chance for that final birdie on the day!
